So the OTP-based firm is listening, and opening an office in Buckhead, the financial services capital of the South.

The new satellite office will be staffed by Sanders Financial personnel, but be available by appointment only. It will not be a full-time office, the company said.

Sanders Financial, founded in 1994, has more than \$175 million in assets under management.

CREDIT. The parent company of Atlantic Southern Bank has appointed a new chief credit officer.

J. Randall Griffin, who headed the Macon-based bank's special assets division, will remain in that role as well as lead all lending operations and develop loan procedures.

Griffin, 57, is the former president of **Double Eagle Associates LLC**, a residential real estate management and development firm.

Griffin replaces Gary P. Hall, who retired in April. Hall has remained with the company as a consultant.

TRAFFIC MANAGEMENT. Sanders Financial Management is going ITP.

Norcross-based Sanders Financial has opened a satellite office in Buckhead on the seventh floor of the Pinnacle Building, 3455 Peachtree Road.

The reason is simple: traffic.
